Chapter Meetings

9 AM 3rd Saturday

of each month

May 16th

Jun 20th

Jul 18th

Our Web site:

[centralcoastwoodturners
.com](http://centralcoastwoodturners.com)

Webmaster:

Bill Kandler

April 18, 2009

Announcements:

The Notes for the April 18 meeting were collected by
Ev Merriam during my absence...**Thank You Ev!**

President Bill Kandler presiding!

The following announcements were made:

The **Del Mano Gallery** in LA is having a showing of:
Turned Wood – Small Treasures...the 17th Annual Exhibition of
Sculptured & Lathe-Turned Objects Under Six Inches. May 2 – June 6
Also: **SOFA West** June 20 - July 11.

Check out the web site for the Small Treasures [www.delmano.com]

AAW is having a collaborative challenge of the different clubs at the
annual meeting in June in Albuquerque, NM. This will require a
minimum of 6 members from each club making one item. The question
is...would there be a group of 6 from our club willing to take up this
challenge?

Election of Vice President:

Gordon Rowland was elected/appointed/volunteered/ or shanghaied
to this position.

**There will be a Demo by Art Liestman Monday, May 4th
At Paul Bujold's shop located @ 440 Eucalyptus, Nipomo. 9am**

See: www.artliestman.com

Gordon Rowland indicated he only received a few responses from
members listing their resource materials. He will compile a list of
resources and solicit editing from members.

It was suggested that we build a "bio list" for each member and include a
questionnaire with people's major equipment listed. This would provide
direction for those seeking advice on various items in their shop.

The following are photos of the meeting's Exhibition Table taken by Gordon Rowland [thanks Gordon!]

AAW Web Site:

Note: Here is an interesting project.....

NEXT MEETING:

**9:00 am, Saturday, May 16th, Odd Fellows Hall at 520 Dana St.
San Luis Obispo**

**Challenge project:
Candle Holder [or holders]**
