October is right around the corner, that means practice your FRISBEE tossing, and oh, yes time for good food. As usual Gordon will do the cooking, Top Block and Salmon will be featured.

Members and their spouses are asked to bring a "SHARE" plate along with their plates, silver ware and beverages.

Gathering time will be about 11:00 AM on Sunday October 6th. at the Nipomo, County Park, we'll be in Section Pine.

The highlight to the FRISBEE Toss will be more prizes, Including Craft Supplies gift certificate, Wine, and a selection of wood blanks from North Woods of Forest Grove, OR. Be sure to have a Frisbee for your spouse, might be a good idea to have a backup one.

The September meeting started off with a different twist. CCW was invited to attend a Special open house on a Saturday normally closed AURA HARDWOODS. Trenton Salin had prepared to have cutoffs and marked down pricing on all stock. It is hoped that you remember that Aura does stock some of the specialty woods from around the world. Reminder: be sure to tell Trenton or his aides that you are from the CCW
